

OLA
OUR LADY'S
ABINGDON

APPOINTMENT OF
TEACHER OF ENGLISH

FOR SEPTEMBER 2022 / JANUARY 2023

Message from the Head of OLA

Dear Candidate,

This is an exciting time to be joining OLA and a future of opportunity awaits the successful candidate. As the new Head of OLA, I am honoured and privileged to be leading a school which is high performing in all areas, and which has the full support of the Governing Board to grow the school pupil headcount, invest in futureproofing the school and develop the staff so that they can empower our pupils to be the best versions of themselves. The value-added for A Level results in 2019 was +0.42 (well above average); pastoral care is child-centered and consistently of the highest quality, and; the co-curricular programme is growing from strength to strength. OLA is defined by its Catholic ethos and this underpins all that we do:

Each child who joins us embarks on an educational journey, directed by our mission statement, providing for each one in accordance with their needs and encouraged by our ethos summed up in our school motto, "Whatever you do, do it well". Our ethos provides an individual approach that ensures we uncover a child's potential and nurture them to achieve, enabling them to thrive both academically and as people.

Our ethos is reflected in the positive relationships that exist between all members of our school community. We are proud of our distinctive family atmosphere, which fosters a tangible sense of community and happy relationships between staff and pupils.

If you choose to apply for this post, we will give your application all the seriousness it deserves. OLA is a wonderful, vibrant and happy environment in which to work, with a palpable sense of belonging among our staff. The role we are looking to fill is important to the flourishing of the school and I hope you will feel that you are the person to fill it.

Kind regards,

Daniel Gibbons

Mr. Daniel Gibbons
Head of OLA

ABOUT THE SCHOOL

OLA is a Catholic co-educational day school located close to Oxford in the heart of Abingdon, welcoming pupils of all faiths and none. It was established by an Order of Catholic nuns founded by the Venerable Catherine McAuley called the Sisters of Mercy, who came to Abingdon in 1860 at the invitation of Sir George Bowyer of Radley Park. Reverend Mother Clare Moore was a national heroine who had worked closely with Florence Nightingale during the Crimean War - their joint portrait, entitled 'The Mission of Mercy', hangs in the National Portrait Gallery. Recently returned from Constantinople, Mother Clare brought three young Sisters to Abingdon on January 10th 1860 and teaching commenced the very next day. The girls' and boys' schools, now Our Lady's Abingdon School, were actively run by Sisters for almost a century.

Our co-educational ethos provides an atmosphere where pupils are at ease with one another and natural relationships are fostered. OLA is a purposeful, outward-looking school with a happy, family atmosphere that gives children the freedom to develop within a structured framework. As our school motto says: *age quod agis – whatever you do, do it well.*

MISSION STATEMENT

Our mission statement reflects the reality of daily life at OLA, and encompasses the vision and values of our founding Sisters at Our Lady of Mercy. 'As God's family we learn to love, respect and forgive - guided by His Word'.

We believe that God created each of us as a unique person with gifts that need to be recognised, celebrated and developed. Inspired by the words of our foundress, Catherine McAuley, "*To each according to their needs*", we encourage a respect for every individual, regardless of background, beliefs or ability.

Our aim is to develop a loving, caring and welcoming community in which all may grow as children of God. In partnership with parents and the wider community we seek to respond to God's invitation to faith, mercy and love. To develop skills for life in an ever-changing world, we cherish integrity, compassion, openness, forgiveness and reconciliation, co-operation and courage. We nurture wisdom, the value of learning, independent thinking, a sense of self-worth and care for each other that all may reach their full potential.

AIMS AND ETHOS

The following are central to our Mission Statement and the school wishes to foster a happy, caring Christian atmosphere in which these aims may be realised:

AIMS

- To encourage respect for the worth of the individual and in this way to develop self-confidence
- To enable all pupils to achieve their full potential
- To guide pupils to make informed moral choices
- To develop independent thinking and a love of learning

ETHOS

We believe that every human being is created to become a unique person with gifts that should be accepted and valued.

Our foundress Catherine McAuley said: "*To each according to their needs*".

We owe it to our pupils to help them recognise and achieve the best of which they are capable to obtain the qualifications they need and to develop a sense of personal fulfilment.

A sound Christian framework is important as a basis for the whole of their lives

This is the basis of life-long learning

ACADEMIC

OLA promotes a challenging and progressive curriculum, which reflects the learning requirements of each individual pupil. It aims to nurture independent, analytical and creative thinking and to build the confidence in our pupils to articulate clearly their views of the world around them.

The School achieves strong academic results, as a result of effective and well-developed relationships between pupils and staff and a positive attitude to learning. In 2020, an 89.4% pass rate was achieved at GCSE, with 70.1% of all grades at 9 to 6. A Level results were equally impressive, with 79.5% of all grades at A* to B and with a 100% pass rate. OLA's value-added is outstanding, year on year. In 2021, Nine pupils achieved 3 or more A*-A grades at A level. The 2021 results show an increase in GCSE grades 9-7 from 2020, with fifteen students (31% of the Year 11 cohort) gaining 10 or more of the highest 9-7 grades. 71.7% of all grades at GCSE/IGCSE fell in the 9-7 grade bracket. Biology, Physics, Geography and Music topped the subject performance table with 100% grades 9-7. Upper Sixth leavers achieved places at a range of prestigious universities, including Cardiff, Bath, York, Warwick, Kings, Leeds and Birmingham.

In Years 7, 8 and 9, pupils study Mathematics, English, Science, a Modern Foreign Language (French or Spanish), Geography, History and Religious Studies as core subjects, alongside other practical-based subjects such as Art, Drama, Music, Design Technology, Food and Nutrition, Latin, PE, Textiles, and Computer Science. Year 9 pupils choose up to four of these practical subjects to study in greater depth.

At GCSE, pupils choose up to three optional subjects in addition to their core subjects of Mathematics, English, Science (Double or Triple), a Modern Foreign Language (French or Spanish) and Religious Studies. There is the option to study an additional Modern Foreign Language (French or Spanish) and Further Maths.

This wide range of options is also offered at A Level, in addition to Economics, Philosophy, Ethics and Religion, Psychology, Classical Civilisation and Business Studies. OLA 6th pupils study three A Levels, with many choosing the additional option of the Extended Project Qualification. University application and career choice guidance is excellent, and the majority of OLA 6th leavers go on to their first choice of university and to study a diverse range of subjects.

ACADEMIC (continued)

A new faculty structure will be introduced from September 2022, the aim of which is to improve the efficacy of the academic leadership structure and create a clear middle leadership level within the School. The faculty structure comprises:

1. **English, Drama and Film and Media** (including responsibility for Academic Enrichment and Literacy)
2. **Mathematics and Computer Science** (including responsibility for Academic Scholarship and Numeracy)
3. **Science** (including Academic PE)
4. **Religious Studies** (including responsibility for Chaplaincy, PSHE and RSE)
5. **Creative Arts** (Art, Design Technology, Food Technology and Textiles)
6. **Humanities** (Business, Economics, Geography, History and Psychology)
7. **Languages** (Modern Languages and Classics) (including line management of the EPQ Coordinator)

Within the above are Subject Coordinators for each subject who report to the Head of Faculty. Academic staff report to the Subject Coordinator who, in turn, report to the Head of Faculty. The Head of Faculty is also a 'Subject Coordinator' and, as such, will line manage the staff within their own subject.

OLA provides academic enrichment beyond the classroom and curriculum. A strong track record exists of enriching pupil experiences by applying their learning in real contexts through a varied trips programme. The School runs a McAuley Lecture programme for scholars in all years, which seeks to enrich pupil experiences and extend their learning beyond the classroom. Lower Sixth pupils benefit from tailored programmes in preparation for life beyond school, and there is a parallel path for those who have expressed an interest in Oxbridge.

THE WHOLE PERSON

OLA offers a growing programme of activities that enable our pupils to explore passions and to develop important skills and characteristics, including teamwork and determination, all within the safety of a caring and compassionate community. The rich programme of activities caters for broad tastes, from creative arts, coding and textiles to a variety of academic clinics.

The School has a particularly impressive offering in the performing arts. Several choirs and orchestral groups provide regular music performance opportunities, and take-up of instrumental lessons is high. Music partnerships with local schools are strong, and visiting musicians provide a series of masterclasses. OLA has its own drama studio and theatre. Pupils across the school community are involved in productions, including an annual inclusive whole-school musical. The School is also a LAMDA (London Academy of Music & Dramatic Art) centre through which pupils can develop skill and confidence in public speaking, articulation, presentation and acting skills.

OLA offers a range of sports for all ages and abilities to encourage participation, fitness and an enjoyment of team sport. Sports on offer include swimming, gymnastics, cricket, athletics, rugby, netball, hockey and football. OLA has generous facilities including a heated indoor swimming pool and access to the extensive range of facilities at the Tilsley Park Centre. The Duke of Edinburgh's Award scheme is also popular at OLA, with many pupils supported through to the Silver and Gold Awards.

In the development of our pupils OLA pays special attention to pastoral care and spiritual nourishment, promoted by all staff but particularly by our dedicated chaplaincy team that arranges retreats, assemblies and liturgies. Our beautiful Chapel is a real centre for prayer and our Catholic ethos ensures all pupils, whatever their background, have opportunities to step back from the busy school day and benefit from quiet reflection. We have a justified reputation for being a caring, compassionate and nurturing school with a calm purpose that gives all pupils the opportunity to thrive in a safe environment.

OLA prepares children for life. Pupils leave us at 18 as young adults not only equipped academically for university, but as well-balanced individuals with the confidence to make their way successfully in the world beyond school. Following their chosen paths with enthusiasm and confidence, they can use the broad skills they have acquired at OLA to become valuable members of society.

JOB DESCRIPTION

English is very much at the heart of the OLA curriculum and we seek a well-qualified, enthusiastic teacher to join this key department in a full-time role. The successful applicant will join a strong and committed team which has achieved excellent public examination results in recent years. The post will ideally commence at the start of the new academic year in September 2022, although we also welcome applications from candidates looking to start in January 2023.

THE ENGLISH FACULTY

The English Faculty (also including Drama and Film and Media) participates actively, and often with great originality, in events such as National Poetry Day and Carnegie Shadowing. Regular theatre visits, study days and other extra-curricular activities are organised. This is a very creative faculty with poetry and writing competitions running every year. Public Speaking and debating clubs and competitions are also enjoyed by our pupils.

In Year 7, pupils are taught as mixed ability form groups but from Year 8 they are placed into sets, giving pupils who are less confident and able in English the benefits of small class teaching. All pupils are entered for Edexcel IGCSE for both English Language and English Literature. We follow the Edexcel English Literature course with our Sixth Form students. Several former students are currently studying English at university level, including Oxbridge.

The English Faculty encourages wide and diverse reading at all levels, enjoying the use of the excellent school library for reading groups and lessons and continually updating our stock of novels, poetry and plays for the classroom. We work closely with the Learning Support Department throughout the school year. In the past, the faculty has taken part in the annual OLA Festival of Reading, to which many well-known children's authors have been invited over the years.

Drama and Film and Media operate as separate subjects within the faculty, although they are closely linked with English, and English and Drama share staff. We welcome and encourage cross-curricular projects when opportunities arise.

OTHER ASPECTS OF THE POST

All teachers are expected to share in supervision duties, attend relevant parents' evenings, staff/faculty meetings, Open Days et al, and to contribute to the extra-curricular life of the school.
